## INTRODUCING PROTESTANT SOCIAL ETHICS: FOUNDATIONS IN SCRIPTURE, HISTORY, AND PRACTICE (PAPERBACK)

Baker Publishing Group, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Despite their rich tradition of social concern, Protestants have historically struggled to articulate why, whether, and how to challenge unethical social structures. This book introduces Protestants to the biblical and historical background of Christian social ethics, inviting them to understand the basis for social action and engage with the broader tradition. It embraces and explains long-standing Christian reflection on social ethics and shows how Scripture and Christian history connect to current social justice issues. Each chapter includes learning outcomes and chapter highlights.
