Reviews

Definitely among the best ebook I have actually go through. I have read and i also am confident that i am going to likely to read once again once again later on. I am just very happy to explain how this is actually the finest publication i have read in my own daily life and could be he greatest pdf for at any time.

Pearson Education Limited, United Kingdom, 2017. Mixed media product. Condition: New. 15th edition. Language: English. Brand new Book. For courses in Management Information Systems (MIS) This package includes MyLab MIS The authoritative, case-based view into how businesses leverage information systems Kenneth and Jane Laudon's popular Management Information Systems: Managing the Digital Firm, along with MyLabTM MIS, continues to define the way MIS courses are taught. Designed for business students, the text provides insight into how contemporary businesses leverage information technologies and systems to achieve corporate objectives. The new edition provides the most up-to-date and comprehensive overview of information systems used by businesses today, including all-new real-world cases and discussion of significant contemporary topics, from big data and the Internet of Things (IoT) to machine learning and DevOps. Featuring comprehensive coverage of new technologies and applications, while also considering their impact on business models and decision-making, Management Information Systems enhances learning through vivid examples designed to capture the imaginations of all students. As they build sought-after skills for the modern workplace, students will learn to lead management discussions and drive decisions about their firm's information systems. This package includes MyLab MIS, an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. MyLab MIS should only be purchased when required by an instructor. Please be sure you have the correct ISBN and Course ID. Instructors, contact your Pearson rep for more information.
